## Australian Centre for Contemporary Art Venue Hire

Thank you for your interest in the Australian Centre for Contemporary Art as a venue for your upcoming event.

Below is some information about venue hire at ACCA as well as a few photos of our fabulous space.

ACCA is a major contemporary art space housed in an iconic building, which is internationally renowned for its exquisite architecture and offers an exclusive and unique environment for private functions and corporate hospitality.

ACCA's stunning foyer area is available to hire year round and our fantastic gallery spaces are available dependent upon exhibition programs. The foyer has the capacity to host up to 250 people for a cocktail style function and 100 people for a seated dinner. The Foyer + Gallery space can hold significantly more, depending on staging, etc. The Foyer is accessible after the gallery has closed at 5pm on weekdays and 6pm on weekends.

ACCA does not have in-house catering or bar services, however it is one of the few venues that permit clients to use their preferred catering companies. ACCA can recommend a number of catering and equipment hire services to assist you with your event needs.
